MRS. ALLEN'S

Hair Restorer & Zylobalsamum Are so uniformly grateful and beneficial, that they are with justice called the natural strengtheners of the human hair. They are two entirely separate and distinct preparations, not to be used together at one time.

Mrs. Allen's Hair Restorer Never fails to satisfy the most refined and cultivated. A guarantee goes with every bottle, that it will quickly restore gray or white hair to its original youthful beauty, gloss and color; after its use a few times the hair will grow thicker and stronger. It will stop its falling and induce a healthy and luxuriant growth. It is an exquisite hair dressing, agreeable, harmless and healthy. Entirely different from most other preparations for the hair, its composition and ingredients are nourishing,

Mrs. Allen' Zylobalsamum This exquisite preparation is free from any sediment, and is a toilet treasure. The urgent want of a simple Hair Dressing, for the youth of both sexes, first induced the manufacture of the Zylobalsamum, and the sale of it is perfectly immense, not only in this country, but in Europe.

"Your Zylobalsamum is used by every member, young and old, of our family, and we consider it invaluable. Should any gray hairs appear, we shall try your Hair Restorer, which we hear very highly spoken of."

"Father and mother use your Hair Restorer, and are delighted with it. It soon restered their gray locks to their youthful color, but daughters and son still find in the Zylobalsamum all their hair resuries."
